E-mail: translations@iredelatorre.com • **Phone number:** (+34) 617 66 52 95

Website: <http://iredelatorre.com>

Place of birth and of residence: Madrid, Spain

Profile

Since 2014, I have been where I love: the world of translation, proofreading and writing. After my first five years in the translation world for translation agencies, for five years I have been involved in literary translation, with a special interest in fiction novels and short stories by young authors. I have also a collection of short stories written by myself, and I am working on my first novel.

Education

October 2010 – June 2013	Translation and Interpreting Studies. University of Granada (Spain) and University College Ghent (Erasmus program in Belgium) Languages of study: English, French and Dutch into Spanish Specialty: legal, commercial and financial translation
